AMENDMENTS TO THE DRAWINGS

In Figure 1, Applicant has replaced the SQL Statements **110** "Create" and "Select" in the Applications Object **108** with "CREATE" and "SELECT".

In Figure 2, Applicant has made several changes:

- Labels **202** and **212** have been moved slightly, and arrows have been added to their respective designating lines.
- The label "Looked Up Fields" was replaced by "Looked-Up Fields".
- The label **214** was moved from the "Key Field" to the "Looked-Up Fields" and new label **213** was added to designate the "Key Field".
- Target Table **212** was further divided to include "Other Fields" and label **216** was moved over to indicate this new section.
- The line between the "Key Field" and the "Looked-Up Field" in the Target Table **212** was changed to a dashed line.
- The "∞" symbol by the arrow ending in the "Key Field" has been changed to an "n" and ". . ." was added between the Basis Table and the Target Table.
- The multi-part looked-up table field "Look-Up Field:Looked-Up Field" was replaced by "Look-Up_Field"Looked-Up_Field", labels **222**, **224**, and **226** were added to this field, and the entire field was moved and set off from the Basis/Target Table Line with a large arrow.

In Figure 3, Applicant has replaced "Join Clauses" in box **312** with "JOIN Clauses".

In Figure 6, Applicant has replaced the "Mass Storage" label of element **604** with "System Memory". In addition, Applicant has labeled the system bus and computer system respectively with labels **612** and **600**.
